2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Davangere Division, Davangere, on payment of annas eight per form should be addressed to the Executive Engineer, Davangere Division, Davangere, in a sealed cover and superscribed as "Tender for .....". The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a challan for Rs. ..... (.....) deposited in Government Treasury under "Revenue Deposits" and duplicate challan should be enclosed with the tender. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing. The final acceptance of the tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5 The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted along with an application to the Executive Engineer.

8. Copies of contract documents, schedules, and drawings may be seen at any time at the Executive Engineer's Office, Davangere on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 12 NOON on Saturdays.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of, the rates for such items may be entered in a separate schedule with date and the reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department Schedule of Rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current schedule or data rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower, than those given in the enclosed schedule, and till completion of works and can under no circumstances be enhanced.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of ..... months after the acceptance of tender, failing which, the Executive Engineer shall levy a penalty of 1½ per cent on balance of works per month of delay, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The progress shall not be less than Rs. 1,500 per month.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages or for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules, from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction. Any material costing more than Rs. 50 will be issued to the tendered contractors from stores on payment of cash only subject to availability

22. The contractor should arrange for the payment of royalty and tolls.

23. Income-tax Clearance Certificate issued by competent authority should be attached to the tenders.

Note.—(a) The contractor should at his own cost :—

1. Provide rods, stakes, ropes and labour required in setting out the works.
2. Provide all necessary scaffolding, centering, labour and appliances for hoisting.
